LEARNING OUTCOMES

- Demonstrate pre-operational checks and routine maintenance on a tractor and ancillary equipment according to manufacturer specifications and safety standards.
- Apply safe operating procedures to manoeuvre a tractor and attached implements in various terrains and conditions.
- Analyze operational hazards and implement appropriate risk control measures during tractor use.
- Evaluate the performance of ancillary equipment (e.g., trailers, ploughs, mowers) and adjust settings for optimal operation.
- Implement post-operation shutdown, cleaning, and storage procedures to maintain equipment longevity.
- Demonstrate compliance with relevant South African health and safety legislation and organisational policies.

WHO SHOULD ATTEND

- This course is designed for individuals who need to operate tractors and ancillary equipment as part of their work, including farm workers, groundskeepers, and operators in construction or logistics.
- It is also suitable for supervisors seeking to ensure safe and compliant tractor use within their teams.
